7th Chorus

230 voices rattle the walls at Welch two days a week during activity period. This, of course, is chorus. Besides singing, some students have the opportunity to accompany on the piano. Many thanks to Ms. Quint for her work with our choruses.

Who will ever forget the rehearsals for Bring Back Birdie, Welch's 1982 spring musical? Singing...listening to the radio... blocking...having pictures taken for the Tempest. ("Why didn't you tell us? Look at my hair!") ...getting our first look at Dave...seeing Ms. Quint in jeans... getting up at 8:00 on Saturday mornings in sub-zero weather... rehearsing lines...and having fun. Certainly all of the cast members (nearly 200 in number) and their director, Ms. Quint, will remember. The entire student body will always consider the performance one of the highlights of the year.

General Business

How should I invest my money? Stocks? Bonds? Insurance? Twenty-four 9th graders took General Business to find the answers to these questions. They also ran a Student Supply Store to learn how businesses are run. Mr. Adams, left, shows them how to make the big bucks.

SKI AFTON

"What a cool bus ride." Brr...

It was 3:30 Thursday afternoon when 35 exuberant 9th graders, 'Silver Streak', and 'Golden Eagle' left on the 17th consecutive ski trip. After 3 days of skiing, eating and fun they returned home tired, sore and full of memories. A big thank-you to Mr. Stromen and Mr. Lippe for spending your time and efforts so we could have these memories. It was the highlight of our years at Welch.

Even Stromen has down days.
